

**Project Summary**  
**Rocky Mountains Cooperative Ecosystem Studies Unit**

<b>Project Title:</b> <i>Recording and Evaluating Cultural Resources on the Public Lands of Montana: Task Order 1</i>
<b>Type of Project:</b> <u>Research</u>
<b>Funding Agency:</b> <i>Bureau of Land Management</i>
<b>Effective Dates:</b> <i>6-1-04 thru 2-28-09 (Task Order #1) Assistance Agreement ESA04N015: 4-1-04 thru 3-31-09</i>
<b>Funding Amount:</b> <i>Task Order #1, 6641.25; Assistance Agreement, NTE \$100.000.00</i>
<b>Investigators and Agency Representative:</b> <i>Tom E. Roll, Department of Sociology and Anthropology, Montana State University, Bozeman, MT 59715, 406-994-5609, <a href="mailto:troll@montana.edu">troll@montana.edu</a></i>  <i>Gary Smith, Bureau of Land Management, 5001 Southgate Drive, P.O. Box 36800, Billings, MT 59107-36800, 406-896-5214, <a href="mailto:gsmith@mt.blm.gov">gsmith@mt.blm.gov</a></i>
<b>Project Abstract:</b> <i>In conformance with the objectives outlined in I.B. of Assistance Agreement No. ESA04N015, the purpose of this task order is to provide a student opportunity to learn curation methods and to prepare a collection of archaeological materials and records for the BLM's Billings Curation Center. The collections were recovered to evaluate 24ME467, a prehistoric quarry located on public lands in Meagher County, Montana.</i>
<b>Outcomes with completion dates (reports, publications, workshops, videos, etc.):</b> <i>Submit collections and records to BLM Billings Curation Facility in conformance with the packaging requirements by February 28, 2005.</i>
<b>Keywords:</b> <i>Archaeology, Prehistoric Quarry, Lithic Procurement, Lithic Sourcing, LA-ICP-MS</i>
