Fort Meade Museum

Join us for an exciting trip back in time to historic Fort Meade. You will investigate the history and archaeology of Fort Meade using primary data sources such as maps, letters, and historic photographs. You can use the curriculum to fulfill many core requirements in social studies, language arts, and art, while your students are discovering historical inquiry through engaging hands-on activities.

You will receive full instruction in a complete curriculum guide called, *Investigating Fort Meade: A Teacher's Guide*.
