

**Project Summary**  
**Rocky Mountains Cooperative Ecosystem Studies Unit**

<b>Project Title:</b> Center for Invasive Plant Management
<b>Type of Project :</b> Research/Technical Assistance /Education
<b>Project Discipline:</b> Natural
<b>Funding Agency:</b> BLM
<b>Other Partners/Cooperators:</b> Montana State University
<b>Effective Dates:</b> October 1, 2007 – June 30, 2009
<b>Funding Amount:</b> \$10,000
<b>Investigators and Agency Representative (contact information):</b>  Liz Galli-Noble, Director Center For Invasive Plant Management Montana State University, Dept. LRES 333 Leon Johnson Hall PO Box 173120 Bozeman, MT 59717-3120 406-994-6832 elizabeth.gallinoble@montana.edu
<b>Project Abstract:</b>  The Center for Invasive Plant Management promotes ecologically sound management of invasive plants by facilitating collaboration and partnerships among scientists, educators, and land managers. Our vision is to build and support a network of well-informed invasive plant professionals who have the contacts, information, and resources necessary to accomplish their goals.  We provide services and expertise that support efforts of those involved in invasive plant management by bridging knowledge gaps in science, management, and policy through: <ul style="list-style-type: none"><li>• Project coordination and counsel</li><li>• Collaboration and facilitation</li><li>• Consulting and contracting</li></ul>
<b>Outcomes with completion dates (reports, publications, workshops, videos, etc.):</b>
<b>Keywords:</b> management, invasive plants, partnerships
