

*Project Summary*  
*Rocky Mountains Cooperative Ecosystem Studies Unit*

**Project Title:** Natural Resources Ecosystem Management Activities at Pohakuloa Training Area and Keamoku Land Parcel Management Area Activities for the U. S. Army Garrison, Hawaii, Island of Hawaii

**Type of Project:** Technical Assistance

**Project Discipline:** Natural

**Funding Agency:** US Army Core of Engineers

**Other Partners/Cooperators:** Colorado State University

**Effective Dates:** 9/22/2011 - 3/13/2016

**Funding Amount:** \$14,504,270 [FY15: \$2,621,900, FY14: \$2,239,600; FY13: \$498,600; FY12: \$4,155,500; FY11: \$4,988,670]

**Investigators and Agency Representative:**

**Investigator:** Bob Brozka, Center for Environmental Management of Military Lands, Colorado State University, Fort Collins, CO; (970) 491-7190; Robert.Brozka@ColoState.EDU

**Project Abstract:** The goal of the U.S. Army's natural resources program is to conserve, protect and enhance the natural resources on Army controlled lands and comply with all applicable Federal and state laws and regulations while improving the Army's ability to conduct and maintain military readiness. In order to obtain this goal, a better understanding of the resources must be achieved to ensure proper management measures/decisions are made.

This support focuses on the following objectives:

A. Coordination: The PI shall coordinate with the DPW as necessary to attend meetings; arrange site visit(s), report on progress and to obtain pertinent project information not publicly or readily available.

B. Natural Resources Management including both conservation and compliance actions: The PI shall be responsible for the accomplishment of the following tasks in support the actions required to meet the stipulations of the biological opinion December 2003 and December 2008, And execute actions of the Pohakuloa Implementation Plan

C. Draft/Final Plans and Reports. An annual report will be prepared each year on the activities undertaken during that year. The annual reports will consist of a detailed summary of all CRM work conducted.

**Outcomes with completion dates:** March 13, 2016

**Keywords:** Natural Resources, Program Management, Pohakuloa Training Area, Keamoku Land Parcel Management Area, the U. S. Army Garrison, Hawaii, Island of Hawaii, Colorado State University, Center for Environmental Management of Military Lands
