

Project Summary  
Rocky Mountains Cooperative Ecosystem Studies Unit

**Project Title:** Phase I Archeology Surveys of Forestry Timber Blocks, Fort A.P. Hill

**Type of Project:** Technical Assistance

**Project Discipline:** Cultural

**Funding Agency:** Department of Defense

**Other Partners/Cooperators:** Colorado State University

**Effective Dates:** 9/30/2015 - 5/16/2018

**Funding Amount:** \$112,659

**Investigators and Agency Representative:**

**Agency Rep:**

**Investigator:** James Zeidler, Center for Environmental Management of Military Lands, Colorado State University, Fort Collins, CO; (970) 491-3741; James.Zeidler@ColoState.EDU

**Project Abstract:** This support focuses on the following objectives:

- 1) Objective 1 - Cultural Resources Surveys of Proposed Forestry Blocks.  
Conducts archaeological surveys and inventories of proposed forestry harvest blocks and is fully responsible for compliance with local environmental and safety rules and regulations. Conducts pedestrian surface surveys of proposed project areas and recommends whether further cultural resource investigations are required. Works closely with the Cultural Resources Program to conduct and monitor archaeological inventories and evaluations, and to recommend improvements to project planning and methods and techniques
- 2) Objective 2: Cultural Resources Training  
Assists the Cultural Resources Program to provide cultural resources training to installation personnel, including tenant and training organizations. Training topics include, but are not limited to: the National Historic Preservation Act, the Archaeological Resources Protection Act, Fort A.P. Hill standard operating procedures relative to cultural resources, and cultural resources awareness for military deployments.
