**Funding Amount:** \$150,653

**Investigators and Agency Representative:**

**Agency:** Jack Mobley, CESWF-PER-EE, 819 Taylor Street, Rm 3A12, Fort Worth, TX 76102-0300; 817.886.1708; Jack.E.Mobley@usace.army.mil

**Investigator:** Liz Caldwell, Center for Environmental Management of Military Lands, Colorado State University, Fort Collins, CO; (970) 491-8406; Liz.Caldwell@ColoState.EDU

**Project Abstract:** The objectives of this project is to provide Stormwater Compliance program support to Ft. Leonard Wood (FLW) Department of Public Works to conduct site assistance visits in support of Clean Water Act Section 402 permitting requirements and Spill Prevention and Response Program requirements. Specific objectives include:

- a) perform duties in support of the Clean Water Act permit program
- b) performance of land disturbance permit site assistance visits relevant to Federal and State requirements of Missouri State Operating Permit MORA00000
- c) Fort Leonard Wood site-specific industrial stormwater operating permit site assistance visits and best management practice evaluations under requirements outlined in MO-0117251
- d) Spill Prevention and Response Program site assistance visits
- e) maintenance of all digital filing, hard copy filing, and GIS database maintenance and update in support of those activities

**Outcomes with completion dates:** December 31, 2013
