Investigators and Agency Representative:

Agency: Jack Mobley, CESWF-PER-EE, 819 Taylor Street, Rm 3A12, Fort Worth, TX 76102-0300; 817.886.1708; Jack.E.Mobley@usace.army.mil

Investigator: Liz Caldwell, Center for Environmental Management of Military Lands, Colorado State University, Fort Collins, CO; (970) 491-8406; Liz.Caldwell@ColoState.EDU

Project Abstract: The Fort Drum environmental program ensures military mission activities are conducted in compliance with all applicable environmental laws, regulations and policies. In support of that goal this project is designed to provide the necessary personnel, equipment, and materials required to conduct Municipal Separate Storm Water Sewer Systems (MS4) outreach and education support, for the Fort Drum Environmental Division located at Fort Drum, NY. The scope of this agreement includes supporting the program manager (PM) through various program management duties such as creating, designing, publishing, and launching MS4 publications, brochures, flyers, pamphlets, posters and website to support the MS4 program with the Fort Drum Environmental Division.

Outcomes with completion dates: December 31, 2014

Keywords: Municipal Separate Storm Water Sewer Systems (MS4), outreach, education, Fort Drum, New York, Colorado State University, Center for Environmental Management of Military Lands
