**Agency Rep:**

**Investigator:** James Zeidler, Center for Environmental Management of Military Lands, Colorado State University, Fort Collins, CO; (970) 491-3741; James.Zeidler@ColoState.EDU

**Project Abstract:** This project is designed to provide professional and technical support for Fort Bragg's Cultural Resources Management Program within the Fort Bragg's Directorate of Public Works, Environmental Management Division. The scope of this agreement includes supporting the program manager (PM) through various program management duties including, but not limited to the four primary components of the CRMP program. This work requires onsite support personnel located at Fort Bragg, North Carolina.

This research focuses on the following objectives:

- 1) Assistance in the identification, evaluation, and protection of all sites, structures, and objects located on Army-controlled property that are eligible for or included in the National Register of Historic Places
- 2) Assistance in the curation of all artifacts, objects, records associated with cultural resources on Fort Bragg
- 3) Assistance in the coordination of consultation between Fort Bragg and American Indian Nations regarding cultural resources
- 4) Assistance with Public Outreach activities for Fort Bragg and the local communities.

**Outcomes with completion dates:** 9/30/2015
