

Project Summary
Rocky Mountains Cooperative Ecosystem Studies Unit

Project Title: Addressing information needs for priority species of raptors in Region 6

Type of Project: Research
Discipline: Natural Resources
Funding Agency: US Fish and Wildlife Service
Other Partners/Cooperators: Boise State University
Student Involvement: yes, graduate student
Effective Dates: 8/1/2016 - 9/30/2021
Funding Amount: \$208,000

Investigators and Agency Representative:

FWS Contact: Greg Watson, USFWS Region 6, PO Box 25486, DFC MS 60100, Denver, CO 80225;
303/236-8155; greg_watson@fws.gov

Investigator: James Belthoff, Raptor Research Center, Boise State University, Boise, ID;
208-426-4033; jbeltho@boisestate.edu

Project Abstract: Faculty and graduate students at Boise State University's Raptor Research Center will assist USFWS in research designed to help further understand the survival, mortality cases, habitat use, movement patterns, and/or territory sizes for priority species of raptors.

Keywords: raptors, research, US Fish and Wildlife Service, Boise State University
