

Project Summary

Rocky Mountains Cooperative Ecosystem Studies Unit

Project Title: Develop communications materials for natural resource topics, management activities, and issues

Discipline: Natural
Type of Project: Technical Assistance and Education
Funding Agency: National Park Service
Other Partners/Cooperators: Colorado State University
Effective Dates: 8/22/2012 - 12/31/2015
Funding Amount: \$171,500 [FY14: \$142,650; FY13: \$28,850]

Investigators and Agency Representative:

NPS Contact: Sara Melena, NRPC- Office of Education and Outreach, 1201 Oakridge Drive, Fort Collins, CO 80525; (970) 225-3525; Sara_Melena@nps.gov

Investigators: Andrew Warnock, Director, Education and Outreach Center, Colorado State University, Warner College of Natural Resources, Colorado State University, Fort Collins, CO 80523-1480 (970) 491- 2845; Andrew_warnock@colostate.edu

Project Abstract: The goal of this project is to provide guidance and technical support to the Natural Resource Stewardship and Science Directorate (NRSS) of the National Park Service, to 1) conduct teacher workshops and assist with field-testing and evaluating natural resource curriculum and activities for Kaloko-Honokohau National Historical Park, and 2) adapt, test, and create graphics and templates for the National Junior River Ranger booklet for the Wild and Scenic Rivers program.

Outcomes with Completion Dates: December 31, 2015

List of Products: development of curricula, videos, posters, brochures, pamphlets, and other communications products and approaches; presentation of information at professional training sessions; preparation of reports and templates to streamline future interpretive product development.

Keywords: Communication materials, natural resources, NPS-Natural Resource Program Center, Office of Education and Outreach (OEO), Wild and Scenic Rivers program, Kaloko-Honokohau National Historical Park, Colorado State University
