

Rocky Mountains Cooperative Ecosystem Studies Unit
Project Summary

Project Title: Building management capacity in Mexican northern border parks through trans-frontier cooperation

Task Agreement #: P19AC00493 **Modification(s):**
Discipline: Interdisciplinary
Type of Project: Technical Assistance
Funding Agency: National Park Service
Other Partners/Cooperators: Colorado State University
Students Involvement:
Effective Dates: 8/8/2019 – 1/31/2021
Funding Amount: \$46,947.00

Investigators and Agency Representative:

NPS Contact: Krista Muddle; Krista_Muddle@nps.gov

Investigator: Ryan Finchum, Co-Director, Center for Protected Area Management, Colorado State University, Warner College of Natural Resources, 233 Forestry Building, Fort Collins, CO 80523-1480; 970-491-7776; Ryan.Finchum@colostate.edu

Project Abstract: The overall goal of this project is to improve management effectiveness in Mexican northern border protected areas and in neighboring US National Parks in the Southwest region. Rangers from both the US and Mexico will build the skill necessary to apply best practices for natural and cultural resource management, which will lead to better protection and enjoyment of parks/protected areas.
