**Project Abstract:**

A student intern from the University of Colorado at Denver will work with the Intermountain Region of the National Park Service. This will allow the NPS to get needed web skills and also serve as a learning experience for the student. The student will perform Web and database searches; literature searches; compile information from texts, interviews, meetings, presentations, and other events; create of charts, graphs and tables; manage images and relevant records; develop protocols and assemble reports based on those protocols. The student will work with NPS professionals on logistical tasks, editing, and use of "off-the-shelf" computer programs.

**Outcomes with Completion Dates:**
