Project Summary:

The University of Colorado Museum provided professional technical assistance on NAGPRA related matters for GRSA and other partnering federal agencies in the San Luis Valley of Colorado. The work was advisory and logistical in nature. The PI provided personal professional assistance as well as museum graduate students to assist the regional office and the park in efforts to complete NAGPRA legal responsibilities. There is no technical written report produced solely by the university.

Number of students participating in this project: Two graduate students involved.
