

**Project Completion Report
Rocky Mountains Cooperative Ecosystem Studies Unit
March 2005**

Project Title: Integrated Pest Management Plan and Educational Video for Grant-Kohrs Ranch and Powell County Museum and Arts Foundation
Type of Project : Technical Assistance
Funding Agency: National Park Service, RM CESU
Other Partners/Cooperators: Montana State University, Avery Ingenuity, Powell County Museum and Arts Foundation
Effective Dates: 5/1/2004 – 3/28/05
Funding Amount: \$5,000
Investigators and Agency Representative: Chris Ford, Grant-Kohrs Ranch NHS, 266 Warren Lane, Deer Lodge, MT 59722, 406-846-2070 x242 chris_ford@nps.gov William Lanier, Entomologist, Insect Diagnostician/Integrated Crop Pest Management Assistant , Montana State University, 333 Leon Johnson Hall, Bozeman, MT 59717, (406) 994- 994-5690 wlanier@montana.edu
Project Abstract: This was a 3-fold project. One purpose was to review the existing Grant-Kohrs Ranch Museum Pest Management Plan by an entomologist. Another purpose was to include a small museum in a site visit to help them under the IPM process and help with their pest issues. The third was to use Grant-Kohrs Ranch as a case study for museum IPM and produce a training video for use by the museum audience.
Outcomes with completion dates: Powell County Museum and Arts Foundation site visit by entomologists. Revised Grant-Kohrs Ranch Museum Integrated Pest Management Plan draft: 3/8/2005 (see link) Museum IPM Training DVD: 1/25/2004 (see link) Museum IPM Training Video posted on Extension Service web site and will be distributed to other extension agents and will be presented at IPM conferences. Museums Association of Montana Annual Conference: unveiling of training video: 3/12/2005 Presentation on project at George Wright Society: 3/19/2005 (see powerpoint link) Publication of article in the George Wright Society Proceedings (see link)
