

Project Summary

Rocky Mountains Cooperative Ecosystem Studies Unit

Project Title: Development and Deployment of Strategic Science Group

Discipline: Interdisciplinary
Type of Project: Technical Assistance
Funding Agency: National Park Service
Other Partners/Cooperators: University of Idaho
Effective Dates: 1/31/2013 - 1/31/2015
Funding Amount: \$59,000

Investigators and Agency Representative:

NPS Contact: Linda R. Drees, Chief, Partnership and New Initiatives Branch, NRSS Biological Resource Management Division, 1201 Oakridge Drive, Suite 200, Fort Collins, CO 80525; 970-225-3595; Linda_Drees@nps.gov

Investigator: Gary Machlis, College of Natural Resources, University of Idaho 208-219-8933, gmachlis@uidaho.edu

Project Abstract: The University of Idaho will work with National Park Service, and other private and public partners to develop and deploy the Strategic Science Working Group, Crisis Science Team to address and solve resource issues rising from environmental catastrophes. This "Crisis Science Team" shall work with government agencies, academic institutions and non-governmental organization and the private sector to develop interdisciplinary science-science based assessments and scenarios responding to environmental crises throughout the United States.

Outcomes with Completion Dates: October 31, 2013

Keywords: science, assessment, scenario planning, environmental crises, Strategic Sciences Group, Department of The Interior, University of Idaho
