End Date of Project: July 13, 2013

Funding Amount: \$11,700

Project Summary: The project has had one meeting in Denver, Colorado on 12/7/10, followed by an on site visit to SAND on 12/8/10 by a small portion of the previous days attendees. Meeting notes are being compiled by Molly Cannon and will be distributed asap. The next meeting is in the planning process for late March or early April 2011 to be held at SAND. The topic will be the site hydrology.

The ATR has already requested a NCE on this project, due to issues of tribal consultation.
