Project Abstract:

The University of Wyoming American Studies Program (UW-AMST) will work cooperatively with Grand Teton National Park on the completion of a National Register of Historic Places determination of eligibility (DOE) for the Sky Ranch property in Grand Teton National Park (GTNP). UW-AMST proposes to complete this project in the context of their service learning program; that is, UW-AMST will conduct a major portion of the research, field work and final report preparation in the course of a week-long summer field class to be held on site in GTNP.

Outcomes with Completion Dates:

- 1) Electronic draft copy of the National Register of Historic Places nomination and a CD-R containing digital photographs.
- 2) Two hard copies and one electronic copy of the National Register of Historic Places nomination form.
- 3) One CD-R containing labeled, high resolution digital photographs (uncompressed .TIFF) of the site, six buildings and structure.
- 4) 4" x 6" black and white photographs on resin-coated paper of the site, and the interior and exterior of each building and structure; each photo will be labeled according to National Register standards.
