

## **Project Summary**

### **Rocky Mountains Cooperative Ecosystem Studies Unit**

**Project Title:** Migration of the Pacific Northwest Aquatic Monitoring Partnership (PNAMP) Website to the University of Idaho and Assessment of Future Services and Functions

**Discipline:** Natural  
**Type of Project:** Technical Assistance  
**Funding Agency:** USGS  
**Other Partners/Cooperators:** University of Idaho  
**Effective Dates:** 7/1/2012 - 1/31/2013  
**Funding Amount:** \$15,000

**Investigators and Agency Representative:**

USGS Contact: US Geological Survey, Pacific Northwest Aquatic Monitoring Partnership (PNAMP)

Investigator: Steven Daley-Laursen, Box 443010, University of Idaho, Moscow, ID 83844; 208-885-5804; stevendl@uidaho.edu

**Project Abstract:** The University of Idaho will assist the US Geological Survey, Pacific Northwest Aquatic Monitoring Partnership (PNAMP) with web hosting services, website framework development and maintenance, and regular website maintenance for website that provides biological and natural resources information in a variety of thematic and geographic areas at varying scales. Information will need to be accessible via the PNAMP website at <http://www.pnamp.org> and available to the natural resource research and management communities, their partners, other stakeholders, and the public. Information should be organized and presented in such a way that allows ease of use and facilitates information discovery.

**Outcomes with completions dates:** January 1, 2013

**Keywords:** web services, Pacific Northwest Aquatic Monitoring Partnership (PNAMP), USGS, University of Idaho
