

Rocky Mountains Cooperative Ecosystem Studies Unit  
Project Summary

**Task Agreement #:**

**Project Title:** Web-based Videos about Science and Stewardship

**Discipline:** Interdisciplinary

**Type of Project:** Education

**Funding Agency:** National Park Service

**Other Partners/Cooperators:** Colorado State University

**Student Participation:** N/A

**Effective Dates:** October 1, 2021 – December 30, 2022

**Funding Amount:** \$39,997

**Investigators and Agency Representative:**

Agency Contact: Sara Melena, NPS

Investigator: Ron Bend, CSU

**Project Abstract:**

Project goals: The goals of this project are to 1) develop web-based videos that introduce viewers to science and stewardship topics and 2) provide students with opportunities to work on all aspects of production from project conception to promotion.

Project objectives:

- a. To use video to show science and stewardship activities in national parks
- b. To inspire the next generation of scientists and stewards
- c. To develop engaging video projects for use on social media or current media channels that reach young people
- d. Provide students with opportunities to develop their portfolios
- e. To create b-roll and interview content for teaching and student production assignments.
